EDUCATION

Business Administration
Florida College

08/2016 - 05/2020   *Temple Terrace, FL*

Python Techdegree
Treehouse

11/2021 - Present

Courses
- Beginner/Intermediate Python
- 5 Main Projects
- SQLAlchemy/Flask
- Basic HTML/CSS

WORK EXPERIENCE

People Development Intern
Kokomo Chrysler Transmission Factory

05/2019 - 07/2019   *Kokomo, IN*

Achievements/Tasks
- I was head of a new operator system being implemented in the assembly line that tracked who was at each station at any given moment
- I helped other interns with their final projects, along with making sure they were hitting their targets each week
- I sat in on board meetings and presented new ideas/implementations the PD staff were interested in

Assistant Supervisor
Community Education (McNeill, Plano)

06/2022 - Present   *Bowling Green, KY*

Achievements/Tasks
- I set and ran the daily schedule, which I had to make sure all of the kids followed
- I helped manage our team to make sure they knew what to do and when to do it
- I made sure all of the little details were taken care of, such as our set up for the day and take down/cleaning
- Worked with parents to create the best environment possible, and kept them up-to-date on relevant news
